BILLING PROCESS

- Good news! We are keeping our dockage at the 2008 rate: \$50 per foot, \$55 per foot for boats over 8 feet wide. A deposit of \$200.00 is required to reserve your slip for 2009.
- The deposit should be a check or money order mailed to the above address with the registration form completely filled out. We can also process your credit card (see pg.2).
- Send in the ***entire amount*** including any hoist fee by **Feb. 15th 2009** and take advantage of the early pay incentive: \$48 per foot, \$53 per foot for boats over 8 feet wide.
- You may make installment payments on the balance anytime between Feb. 15th and May 1st 2009, but the early incentive **will not** apply. Entire balance is due by May 1st unless you are already launched, in which case it should already be paid in full. Your boat will not be assigned a slip if there is an outstanding balance.
- Any slips and hoists not reserved by Feb 15th 2009, or not fully paid by May 1st 2009, will be offered to the next boater on the waiting list.
- We reserve the option to use your slip if your boat is out of the water for any reason.
- Please be sure that your bilge pump is operational. Boats that are in danger of sinking will be pumped (\$50) and may be hauled out (\$100). Owners will be notified and billed.
- Because of insurance Coast Guard regulations gasoline transported on a dock must be in an outboard gas TANK — ***no "jerry" cans on the docks please***. We sell ethanol-free, marine-grade gasoline in 89 and 93 octane. If you want to bring your own "jerry" cans of gasoline from elsewhere, you must bring your boat to the gas dock for filling.
- Owners of trailers left on Marina property will be charged \$10 per day.

If you have any requests for slip assignments, please indicate so on your application. We will do our best to accommodate you.

Please fill out and sign the enclosed registration form and return it to us in the enclosed envelope. ***Please send entire page.***

Thanks.

Mayer's Marina Dock Reservation Form 2009

The owner of the boat is the person who is responsible for all charges incurred.

Dock slips are available for \$50 per foot. Boats over 8-feet wide are \$55 per foot.

Boat length is what is stated on the registration; check to be sure you are not overpaying. If your boat has a fractional length (i.e. 21.5 feet), please state so. *Do not round up or down.* If the lengths listed on your reservation form or registration do not appear to correspond with the physical length of your boat, we reserve the right to measure your boat and charge accordingly.

Jet ski slips are available for \$400. A limited number of jet ski ramps are available for an additional \$375.

Appropriately sized boat hoists will be available for \$325 each.

We recommend 3/8" nylon mooring lines for boats up to and including 16', and 7/16" nylon for boats up through 21'. We recommend 1/2" nylon for boats over 21'. We sell mooring lines if you need them. Ski ropes, dog leashes, Venetian blind cord and clotheslines are NOT suitable for mooring. They not only put your boat in jeopardy, but also endanger the boat moored next to yours. ***We cannot be responsible for loss or damage to your boat. We recommend that you obtain insurance.*** All boats must be tied at the bow and at **both** sides of stern. If you change boats for whatever reason you must notify us and submit the new NY registration number.

PLEASE DO NOT TEAR OFF — SEND ENTIRE PAGE — THANK YOU

I have read and agree to the terms of this letter [2 pages] and certify that I am the owner of the boat listed below. We recommend that you make a copy of these two pages for your reference.
